This Enrollment must be attached to a signature form to be valid.

This Microsoft Server and Cloud Enrollment is entered into between the entities identified on the signature form as of the effective date. Enrolled Affiliate represents and warrants it is the same Customer, or Customer's Affiliate, that entered into the Enterprise Agreement identified on the signature form.

This Enrollment consists of: (1) these terms and conditions, (2) the terms of the Enterprise Agreement identified on the signature form, (3) the terms of either the Microsoft Business Agreement or Microsoft Business and Services Agreement ("Primary Agreement") identified on the signature form, (4) the Product Selection Form, (5) the Product Terms, (6) the Microsoft Products and Services Data Protection Addendum, (7) any Supplemental Contact Information Form, Previous Agreement/Enrollment form, and other forms that may be required, (8) the Online Services Supplemental Terms and Conditions if Customer's Primary Agreement is a version 2009 or earlier and Enrolled Affiliate is ordering Online Services, and (9) any order submitted under this Enrollment. By entering into this Enrollment, Enrolled Affiliate agrees to be bound by the terms and conditions of the Enterprise Agreement and the Primary Agreement. If this Enrollment is entered into under an Enterprise Agreement version 2009 or earlier, the terms and conditions of this Enrollment supersede any conflicting terms and conditions in the Enterprise Agreement with respect to Products licensed under this Enrollment.

Effective date. If Enrolled Affiliate is renewing Software Assurance or Subscription Licenses from one or more previous Enrollments or agreements, then the effective date will be the day after the first prior Enrollment or agreement expires or terminates. If this Enrollment is renewed, the effective date of the renewal term will be the day after the Expiration Date of the initial term. Otherwise, the effective date will be the date this Enrollment is accepted by Microsoft. Any reference to "anniversary date" refers to the anniversary of the effective date of the applicable initial or renewal term for each year this Enrollment is in effect.

Term. The initial term of this Enrollment will expire on the last day of the month, 36 full calendar months from the effective date of the initial term. If the Enrollment is renewed, the renewal term will expire on the last day of the month, 36 full calendar months after the effective date of the renewal term. Any reference in this Enrollment to "day" will be a calendar day.

Prior Enrollment(s). If renewing Software Assurance or Subscription Licenses from another Enrollment or agreement, the previous Enrollment or agreement number must be identified in the appropriate box above. If renewing from multiple Enrollments or agreements, or transferring Software Assurance or MSDN details, the Previous Agreement/Enrollment form must be used.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement, and applicable Primary Agreement. The following definitions also apply:

"Additional Product" means any Product identified as such in the Product Terms, excluding any Server and Tools Product, and chosen by Enrolled Affiliate under this Enrollment.

“Baseline Agreements” means all Microsoft license agreements, including, without limitation, volume licensing agreements, OEM licenses and retail licenses, under which any Affiliate in the Enterprise uses the selected Server and Tools Products. Baseline Agreements do not include any Service Provider License Agreements or Independent Software Vendor Royalty License and Distribution Agreements under which the Enterprise has the right to provide software services or unified solutions to unaffiliated end users.

“Baseline Licenses” means Existing Baseline Licenses and New Baseline Licenses, collectively.

“Existing Baseline Licenses” means all Licenses in use by any Affiliate in the Enterprise for the selected Server and Tools Products that were obtained under any Baseline Agreement before this Enrollment.

“Expiration Date” means the date upon which the Enrollment expires.

“New Baseline Licenses” means the quantity of Licenses for Server and Tools Products ordered under this Enrollment in excess of the Existing Baseline Licenses.

“Product Family” or “Family” means the group of Products designated as a Product Family on the Product Selection Form.

“Product Selection Form” means the document provided by Microsoft that (1) identifies all Baseline Licenses, (2) defines the Product Families, (3) establishes the Enrolled Affiliate’s price levels for each Product pool and (4) specifies the minimum quantity of Licenses that must be ordered to qualify for this Enrollment.

“Reseller” means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement.

“Reserved License” means for an Online Service identified as eligible for true-up in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

“Software” means licensed copies of Microsoft software identified in the Product Terms. Software does not include Online Services or Services Deliverables, but Software may be part of an Online Service.

“Server and Tools Product” means any Product identified as such in the Product Selection Form and chosen by Enrolled Affiliate to be included under this Enrollment.

“Use Rights” means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

2. Use Rights.

Enrolled Affiliate and its Enterprise may download, install and use Software Products and access and use Online Services ordered under this Enrollment subject to the terms of this Enrollment, the applicable Use Rights and the Product Terms. In addition to applicable use rights terms of the Enterprise Agreement, the following terms apply to this Enrollment:

- a. Use Rights for Server and Tools Products.** For Server and Tools Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate’s use of that Product during that term.

3. **Order requirements.**

a. **Minimum order requirements.**

(i) **Server and Tools Products.**

- 1) **Existing Baseline Licenses.** When ordering a Server and Tools Product other than Microsoft Azure, Enrolled Affiliate must identify all Existing Baseline Licenses for the applicable Server and Tools Product Family. Perpetual Licenses owned by the Enterprise but not identified as Existing Baseline Licenses in the applicable Product Family at the start of this Enrollment may not be used during this Enrollment term.
- 2) **Initial Order.** Enrolled Affiliate's initial order must meet the minimum purchase requirements for at least one Product Family. For every applicable Product Family except Microsoft Azure, the initial order must also include the following:
 - A. Software Assurance on all perpetual Existing Baseline Licenses that have been continuously covered under Software Assurance;
 - B. License with Software Assurance or Subscription License for each Existing Baseline License that has not been continuously covered under Software Assurance; and
 - C. License with Software Assurance or Subscription Licenses for all New Baseline Licenses.
- 3) **Effect of Subscription License coverage on Existing Baseline Licenses.** If Enrolled Affiliate orders Subscription Licenses for any Existing Baseline Licenses, the following provisions will apply for the duration of this Enrollment, notwithstanding any provisions to the contrary in the Baseline Agreements:
 - A. The use rights for those Existing Baseline Licenses will be superseded and replaced by the use rights for the Subscription Licenses.
 - B. The Existing Baseline Licenses shall be non-transferrable.
 - C. The Enrolled Affiliate and its Affiliates must continue to perform any obligations under their Baseline Agreement(s), including but not limited to making payments for any of the Existing Baseline Licenses.
 - D. When this Enrollment expires or is terminated, the Enrolled Affiliate or its Affiliates, as applicable, will have the rights under the Baseline Agreement(s) that it had as of the effective date of this Enrollment, unless it exercises its buy-out option as provided in this Enrollment.

b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products and Services.

c. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any subsequent orders.

d. **Resellers.** Orders must be submitted to an authorized Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Resellers and other third parties do not have authority to bind or impose any obligation or liability on the Microsoft Affiliate that enters into this Enrollment.

e. **Adding Products.**

(i) **Adding new Products not previously ordered.**

- 1) New Server and Tools Products may be added by contacting a Microsoft Account Manager or Reseller.

- 2) New Server and Tools Products included in a previously ordered Product Family may be added at any time but must be included in the next annual true-up order.
- 3) Orders for new Additional Products, other than Online Services, must be placed in the month the Additional Product is first used.
- 4) Subscription Licenses for new Online Services other than Microsoft Azure Services must be ordered prior to use.
- 5) Microsoft Azure Services may be added as provided in the Product Terms.

(ii) Adding Licenses for previously ordered Products.

- 1) Additional Licenses for previously ordered Products may be added at any time but must be included in the next annual true-up order.
- 2) Additional Subscription Licenses for Online Services must be ordered prior to use unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.

f. True-up requirements. Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.

(i) Annual order period. A true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The last true-up order or update statement during an Enrollment term is due within 30 days prior to the Expiration Date. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be received by Microsoft during the annual order period.

(ii) True-up order. Enrolled Affiliate must determine the maximum number of Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase. For Subscription Licenses for Products other than Online Services, the true-up order must indicate the initial use date(s) for each additional Subscription License ordered. For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use, and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.

(iii) Update statement. An update statement must be submitted if there has been no change in the number of Products used within Enrolled Affiliate's Enterprise since the latter of the initial order, the last true-up order, or the prior anniversary date. This update statement must be signed by Enrolled Affiliate's authorized representative.

(iv) Subscription License reductions. Enrolled Affiliate may reduce the quantity of Subscription Licenses only on the Enrollment anniversary date on a prospective basis if permitted in the Product Terms as follows:

- 1) For Server and Tools Products available as Subscription Licenses, Licenses may be reduced only as long as the minimum order requirements are maintained. If reducing Subscription Licenses that cover Existing Baseline Licenses, Enrolled Affiliate may not use or transfer those Existing Baseline Licenses for the remainder of the term.
- 2) For Online Services available as Additional Product Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, the applicable Subscription License will be cancelled.

Subscription Licenses added after the initial order may not be reduced on the anniversary date immediately following the order but must remain in effect at least until the subsequent anniversary date. Notwithstanding the foregoing, Microsoft Azure Monetary Commitment

added after the initial order may be reduced on any anniversary date. Invoices will be adjusted to reflect any reductions in Subscription Licenses and will be effective as of the Enrollment anniversary date. Except as otherwise prohibited in this section, Enrolled Affiliate may reduce Subscription Licenses on or before the Enrollment anniversary date and place a reservation order for such licenses within 90 days after the anniversary date; however, any licenses ordered as described in this sentence will be invoiced to the Enrolled Affiliate for the time period the licenses were made available.

(v) Late true-up order. If the annual true-up order is not received when due:

- 1) Microsoft will invoice Enrolled Affiliate's Reseller for the following year for the quantity of Subscription Licenses ordered in the prior year; however, such invoice will not constitute a waiver of the annual order requirement;
- 2) Subscription License reductions will not take effect until the following Enrollment anniversary date (or at Enrollment renewal, as applicable); and
- 3) Microsoft may invoice Reseller for all Reserved Licenses not previously invoiced.

g. Step-up Licenses. For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

- (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up order process.
- (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

h. Clerical Errors. Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

i. Verifying compliance. Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Primary Agreement.

4. Pricing.

a. Price levels. Each Product is assigned to a Product pool as shown in the Product Terms. Price levels (A, B, C or D) are set separately for each pool. Price levels for the applicable Product pools are set forth in the Product Selection Form. Enrolled Affiliate's price level for each Product pool will be level A unless Enrolled Affiliate is entitled to a different price level under any Enterprise Enrollment, Enterprise Subscription Enrollment, Microsoft Products and Services Agreement, Select Agreement or Select Plus Agreement in effect as of the effective date.

b. Setting prices. Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Unless otherwise expressly agreed to by the parties and except for Online Services designated in the Product Terms as being exempt from fixed pricing, Microsoft's prices to Reseller for each Product or Service ordered are fixed throughout the applicable initial or renewal Enrollment term, provided that Enrolled Affiliate qualifies for the same price level for the entire term. If Enrolled Affiliate qualifies for a different price level during the applicable initial or renewal term, Microsoft may at its discretion establish a new price level for future new orders either upon Enrolled Affiliate's request or on its own initiative. Price levels and Microsoft's prices to Reseller are reestablished at the beginning of the renewal term.

5. ***Payment terms.***

- a. **License with Software Assurance and Software Assurance.** For the initial and any renewal order for License with Software Assurance and Software Assurance, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If an upfront payment is elected, Microsoft will invoice Enrolled Affiliate's Reseller in full upon acceptance of this Enrollment. If spread payments are elected, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments unless indicated otherwise. The first installment will be invoiced to Enrolled Affiliate's Reseller upon Microsoft's acceptance of this Enrollment and additional installments will be invoiced on each Enrollment anniversary date. Subsequent orders will be invoiced to Enrolled Affiliate's Reseller upon acceptance of the order and must be paid upfront.
- b. **Subscription Licenses (except Microsoft Azure Services).** Microsoft will invoice Enrolled Affiliate's Reseller annually in full upon acceptance of each order. Microsoft will invoice Reseller for annual orders on each Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront.
- c. **Microsoft Azure services.** Invoicing for Microsoft Azure Services is described in the Product Terms.

6. ***End of Enrollment term and termination.***

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but for which it has not previously submitted an order.
- b. **End of term rights for Server and Tools Products.** Provided Enrolled Affiliate has paid for all required Licenses, including any Baseline Licenses, on the Expiration Date Enrolled Affiliate will have the following rights:
 - (i) **Existing Baseline Licenses with continuous Software Assurance.** For perpetual Existing Baseline Licenses continuously covered by Software Assurance, Enrolled Affiliate will have perpetual Licenses to use the latest version of the Product available (or any prior version) as of the Expiration Date, provided that the Existing Baseline Licenses are fully paid.
 - (ii) **New Baseline Licenses.** For New Baseline Licenses (excluding Subscription Licenses), Enrolled Affiliate will have perpetual Licenses to use the latest version of the Product available (or any prior version) as of the Expiration Date.
- c. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate may request to renew Products and Services under this Enrollment for one additional 36-month term. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements or Enrollments in order to renew. In order for a renewal request to be considered, Microsoft must receive a Renewal Form, Product Selection Form, and renewal request prior to or at the Expiration Date. Microsoft will review a renewal request made under this section in good faith and may accept or reject such request in its sole discretion.
- d. **If Enrolled Affiliate elects not to renew.**
 - (i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.
 - (ii) **Extended Term for eligible Online Services.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

- 1) **Extended Term.** If Enrolled Affiliate does not renew prior to the Expiration Date, access to the Online Services will automatically continue month-to-month in accordance with the terms of the Enrollment (“Extended Term”) for up to the first twelve months following the Expiration Date unless designated in the Product Terms to continue until cancelled. For the first twelve months of the Extended Term, Online Services will be invoiced monthly at the then-current published price for Enrolled Affiliate’s price level as of the Expiration Date plus a 3% administrative fee. During the Extended Term, the then-current Product Terms will apply to Enrolled Affiliate’s use. If Enrolled Affiliate does not want an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.
 - 2) **Cancellation during Extended Term.** At any time during the first twelve months of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, Microsoft may condition the continued use of each Online Service on the acceptance of new terms by the Enrolled Affiliate. Enrolled Affiliate will be notified in writing of any new terms at least 60 days before any such changes take effect. Enrolled Affiliate acknowledges and agrees that after the notice described in this section, its continued use of each Online Service after the effective date provided in the notice will constitute its acceptance of the new terms. If Enrolled Affiliate does not agree to the new terms, it must stop using the Online Services and terminate the Extended Term as provided in this section. Enrolled Affiliate’s termination under this section will be effective at the end of the month following 30 days after Microsoft has received the notice.
 - (iii) **Subscription Licenses and Online Services without an Extended Term.** If Enrolled Affiliate elects not to renew or exercise its buy-out rights for Products eligible for buy-out, Subscription Licenses will be cancelled and will terminate as of the Expiration Date. Any associated Software must be uninstalled, media must be destroyed and the Enterprise must discontinue use. Microsoft may request written certification to verify compliance.
- e. **Buy-out option.**
- (i) **For Subscription Licenses.** Enrolled Affiliate may buy out active Subscription Licenses acquired under this Enrollment for Products other than Online Services and acquire perpetual Licenses for the latest version of the Product as of the Expiration Date by placing an order for such Licenses.
 - (ii) **Buy-out order date.** Microsoft must receive the buy-out order no more than 30 days prior to the Expiration Date. The Expiration Date will be the invoice date for the buy-out order.
- f. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the “Termination for cause” Section of the agreement. In addition, the following will constitute a breach of this Enrollment: (1) Enrolled Affiliate or any Affiliate in the Enterprise fails to timely pay for any existing Baseline License or (2) any existing Baseline Agreement is terminated for cause prior to full payment.
- g. **Early termination.** If Enrolled Affiliate terminates this Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer’s Affiliate, then Enrolled Affiliate will have the following options for Licenses, excluding Subscription Licenses:
- (i) It may immediately pay the total remaining amount due, including all installments, in which case, Enrolled Affiliate will have perpetual rights (1) for Server and Tools Products, as described in the section entitled “End of Term rights for Server and Tools Products” and (2) for Additional Products, for all Licenses (excluding Subscription Licenses) it has ordered (for the latest version of Products ordered under Software Assurance coverage in an initial or renewal term); or
 - (ii) It may pay only amounts due as of the termination date, in which case Enrolled Affiliate will have perpetual Licenses (for the latest version of Products ordered under Software

Assurance coverage in an initial or renewal term) for (1) all copies of Products for which payment has been made in full, and (2) a proportional number of copies of Products it has ordered for which payment has been made.

- h. Early termination for Subscription Licenses.** For Subscription Licenses, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer's Affiliate, then Enrolled Affiliate will have the following options:
- (i)** Enrolled Affiliate may obtain perpetual Licenses as described in the section entitled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
 - (ii)** If not exercising the buy-out option, Enrolled Affiliate will receive a credit for any amount paid in advance that would apply after the date of termination.
- i. Early termination for Online Services.** For Online Services, if an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment for regulatory reasons or because Enrolled Affiliate has ceased to be Customer's Affiliate, then Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.
